(h) Geography

The Geography lab is well equipped with five ordinary globes and one globe with light inside it for illumination. The lab also has numerous maps both- Political and Physical, in accordance with the latest syllabus. There are five stands for hanging the maps along with five pointers.

'Visual Encyclopedia' along with many reference books adores the Geography lab. 'Earth Pact' published by National Geographic Channel is a prize possession of the Geography lab. The lab houses various samples of soil and a model of 'soil profile' too. For the study of Geomorphology, samples of racks are on display. A Model of 'Volcano' 'Solar System' and 'Inside Structure of the Earth' is also displayed as teaching aid.
