(xii) Details of co-curricular, cultural and other activities organised by school	'As education is an elixir of Life'. Main aim of education is to provide holistic development of a child. GVPS emphasis on moral values and child friendly activities such as role plays, Debate, skits, singing and dancing. Students get to experience an excellent educational exposure that helps them to bring their dreams into reality. Multifaceted teaching faculty provides immense learning opportunities for the students by which they can enhance their academic, cultural, social creative and aesthetic skills.	'Welcome in the realm of knowledge.' If we wish to develop an active lifestyle and learn servel essential skills, there are many co-curricular activities in practice. Multifaceted teaching faculty provides immense leaning opportunities. Activities done by them students can learn and have fun at the same time by engaging in co- curricular activities. General knowledge is a vast, unfathomable field. Through I.Q. tests students can gain a lot of good experience. Giving students the opportunity to build social and emotional relationships and participate in group activities outside of the regular classroom. School allows students to explore strengths and talents. Teachers great by improve students' self. Esteem because every child is precious. A strong and varied co-curricular programme is an integral part of the experience. This, in turn, helps students to do better academically and be better prepared for the next stage in their life.
