

ADMISSION LOTTERY RESULT UNDER RTE

[27.06.2025]

In accordance with the provisions of the Right to Education Act, 2009, and the notified guidelines, the department has conducted a transparent and computerized lottery process for admissions under the RTE quota for the academic year 2025-26. The lottery was held to ensure a fair and equal opportunity for all eligible applicants. The list of provisionally selected candidates is now being published for further document verification and admission formalities.

1. The results published are purely provisional and based on the data submitted by the applicants. They are subject to verification of all supporting documents, eligibility criteria, and compliance with the applicable rules and regulations under the Right to Education Act.
2. Publication of a student's name in the lottery result does not guarantee admission. Admission will be confirmed only after successful document verification by the designated authorities.
3. All selected candidates must present original and valid documents as required under the RTE guidelines within the stipulated time. Failure to do so will result in automatic cancellation of the provisional selection.
4. The department reserves the right to cancel or modify the lottery result or any admission at any stage, in case of any discrepancy, forgery, or violation of the eligibility criteria.
5. No legal claim or right to admission shall arise merely by the inclusion of a name in the lottery result. The decision of the department regarding selection and admission shall be final and binding.
6. The entire RTE admission process, including the lottery system, is conducted strictly in accordance with the rules, notifications, and guidelines issued by the Government from time to time. Any changes to these rules shall be binding.
7. Any disputes arising out of the RTE lottery admission process shall fall under the jurisdiction of the concerned district courts only.
8. While due care has been taken in preparing the provisional results, inadvertent errors cannot be ruled out. The department reserves the right to rectify any such errors at a later stage.

9. All provisionally selected applicants are required to report to their allotted schools from **01.07.2025 to 11.07.2025**, along with all original documents, for further verification.
10. The result is also available on departmental website i.e. **<http://harprathmik.gov.in>**.
11. For any query regarding clarification about documents parents may contact the following helpline: **0172-5049801**.

Enclosures: Provisional allotment of Result for Session 2025-26.
