Memo No. 8/22-2025 PS (E-1)

Dated, Panchkula, the 07.07.2025

Subject: - Regarding Guidelines for Private Schools regarding admission reporting and tracking under RTE for 2025-26.

Kindly refer to earlier letter no even dated 01.07.2025 issued on the subject cited above.

The Department has published the results for admissions under the Right to Education (RTE) Act, 2009, for the academic year 2025-26. A total of 11,803 applicants have been allotted to private schools across the state. The admission process for these students commenced on 01.07.2025 and must be completed by 11.07.2025.

It has come to the Department's notice that several grievances have been received from parents/guardians via Helpline No., email, and other modes. Complaints allege that some schools are **delaying admissions** or **denying admissions** on untenable grounds such as **Residential address documentation, Distance from school, or other reasons** not permissible under the RTE Act.

Such actions violate Sections 12(1) (c) and 13 of the RTE Act, 2009, and are viewed with utmost seriousness. To ensure transparency and real-time tracking of admissions under RTE, A designated portal has been launched to track each of the 11,803 allotted applicants.

Portal Address : http://117.239.183.208/rte_admission_tracking/

Each allotted private school shall log in to its MIS account on the portal. Schools shall update the status of each allotted student as:

- Admission Accepted or
- Admission Rejected

If the admission is rejected, the school must:

- Select the **appropriate reason for rejection** from the predefined options available on the portal.
- **Upload supporting documents in PDF format** substantiating the reason for rejection.

- Ensure that the reasons for rejection are as per RTE guidelines and relevant Government Orders, and not arbitrary.

Update the admission status of each allotted student on a daily basis on the portal.

Compliance:

- Non-compliance or arbitrary rejection of admissions without valid, document-backed reasons will be viewed seriously.
- Action will be taken under the relevant provisions of the RTE Act, including but not limited to withdrawal of recognition and initiation of penal action, if found necessary.

All 3319 private schools are hereby directed to follow the above guidelines meticulously to ensure smooth, transparent, and timely admission under the RTE for the academic year 2025-26.

The Department is committed to enforcing the RTE Act in letter and spirit. Strict compliance is expected to ensure no child is deprived of education.

Enclosures: List of 3319 allotted Schools (for reference and necessary action).
